Re: Freedom of Information Act request concerning EPAAct study

Dear Mr. Gottesman and Mr. Bunker:

On behalf of the Energy Future Coalition and the Urban Air Initiative, and pursuant to the Freedom of Information Act, 5 U.S.C. § 522 *et seq.*, we request any and all records created, received and/or maintained by the Environmental Protection Agency (including, but not limited to, documents created by or received from Southwest Research Institute, Coordinating Research Council, other contractors, and their employees), that pertain to the EPAAct/V2/E-89 Tier 2 Gasoline Fuel Effects Study and any of the following topics:

1. re-design of fuel matrices
2. partial factorial design
3. fuel 17
4. fuel 18
5. fuel 19
6. fuel 26
7. fuel 27
8. fuel 28

The definition of "records" includes, but is not limited to, e-mails, facsimiles, text messages, memoranda, letters, studies, reports, and contracts. The scope of the search should not be limited to EPA-originated records and should include records currently in the possession of any U.S. Government contractors for purposes of records management.

We request that these records be produced electronically, in .pdf format, if they are readily producible in that format. EPA is required to respond to this request within 20 working days. See 5 U.S.C. § 552(a)(6)(A).

If you deny any part of this request, please cite each specific exemption that forms the basis of your refusal to release the information and notify us of appeal procedures available under the law.

Please contact me at [gustafson@boydengrayassociates.com](mailto:gustafson@boydengrayassociates.com) or (202) 577-5681 if any questions arise concerning the scope of this request.

Sincerely,

Adam Gustafson
